The Stairman has been proudly installing staircases for over 21 years in the private and building communities, using only the best timbers to ensure exceptional quality each and every stair.

We supply and install simple mdf stairs, solid hardwood stairs or even architecturally designed stairs.

Our Factory is located at unit 4, 56 Topham Road, Smeaton Grange if you would like to stop in or take a look at the showroom.

For quality you can trust, you can't go past the Stairman.
